TIMESHARE CANCELLATION GUARANTEE

Client Protection Group LLC guarantees the cancellation of your timeshare contract in addition to any associated contractual obligations. We commit to relentless work on your timeshare cancellation case until its complete resolution, regardless of the necessary timeframe, without charging any additional fees at any later time. Our guarantee in delivering these services hinges on our clients fulfilling their responsibilities. These responsibilities consist of providing Client Protection Group LLC with all required paperwork within a 30-day timeframe as detailed in #9 of our Terms & Conditions in addition to promptly forwarding us any correspondences, bills, statements, or letters from the resort or collection agency. Our clients must strictly follow our instructions and refrain from contacting the resort during this process unless advised to. Should our services remain incomplete after a 24 month period our clients will qualify for a **100% money-back guarantee** for the purchase price paid for its timeshare cancellation services. This guarantee is only available to clients that are still getting billed by their resort and have clearly followed our instructions throughout the process. If our clients have taken any action against our instructions or contacted the resort at all, they do not qualify for a refund. Client Protection Group LLC will only provide a refund to those clients that have fully paid, and/or are current on all payments to Client Protection Group LLC or any third party financing company and have given Client Protection Group LLC the opportunity to fully perform its services for the duration of the agreed upon time period, unless a new time period is subsequently agreed to, in accordance with their agreement. If I/We decline a reasonable settlement offer to close the timeshare account, the money-back guarantee becomes invalid. In the event the agreement is terminated by the client prior to the expiration of the agreed time period, the guarantee shall become void and the client shall have no rights to any refund whatsoever. Any and all claims for refund must be made in writing within 30 days following the expiration of the 24 month time period. If no refund request is made within that time frame, Client Protection Group LLC will continue working on the case until this case is completed without billing anything additional for the extra time needed. Client Protection Group LLC may, in its sole and absolute discretion, void this guarantee in the event it has been misled or lied to regarding the reason(s) and necessity for its services.
